(Read the Notice at the end of this document to see what else you can do and when you must do it.)

Remedy claimed or sought:

1. The Applicant/Defendant, Catherine Randall applies for the following relief:
 - a. An Order pursuant to Rule 3-71 of *The King's Bench Rules* requiring the Respondents/Plaintiffs, Caitlin Erickson, Jennifer Soucy (Beaudry), and Stefanie Hutchinson (together, "the Plaintiffs"), to provide further and better responses to certain particulars requested by Catherine Randall in her Request for Particulars dated October 30, 2023 ("the Request") that are identified in **Schedule "A"** to this Notice of Application, within 60 days of the date of the Order; and
 - b. An Order granting Catherine Randall the costs of this application.

Grounds for making this application:

2. Catherine Randall delivered the Request pursuant to the Order of the Honourable Justice N. Bardai, dated September 15, 2023. The Request is with reference to the Second Amended Statement of Claim dated June 29, 2023 ("the Claim").
3. In response to the Request, the Plaintiffs delivered a Reply to Request for Particulars dated December 28, 2023 (the "Reply to Catherine Randall").
4. The Reply to Catherine Randall is deficient. Accordingly, the Applicant/Defendant seeks an Order directing the Plaintiffs to provide her with further and better particulars to certain requests for particulars identified in **Schedule "A"** attached hereto.
5. The position of Catherine Randall amongst the Defendants to the within Action impacts the scope of particulars to which she is entitled. The Claim sets out allegations for which Catherine Randall is alleged to be principally liable. The Claim also asserts that Catherine Randall is vicariously liable for the actions of other Defendants as well as unnamed individuals.
6. Catherine Randall is entitled to know the case against her. A primary purpose of a statement of claim is to alert defendants to the case they are required to meet. The Claim does not alert the Applicant/Defendant to the case that she must meet. Further, the Reply to the Applicant/Defendant does not provide her with particulars that she requires to understand the case against her.

7. Catherine Randall is also entitled to particulars pertaining to the suitability of the within Action as a class action. In this regard, the Applicant/Defendant is entitled to particulars that inform the certification criteria set out in s. 6(1) of *The Class Actions Act*, SS 2001, c C-12.01.
